USING THE SECOND EDITION

The SECOND EDITION of the Schedule of Classes should be used AFTER PREREGISTRATION SCHEDULES ARE MAILED. The Second Edition reflects changes made to course offerings since the First Edition was printed. It shows courses and/or sections added and omits courses and/or sections deleted since the First Edition. Thus, courses may appear on the preregistration Schedule Card that exist but did not appear in the First Edition.

The FIRST EDITION of the Schedule of Classes should be used only DURING PREREGISTRATION. Sections or courses may be cancelled and/or added as a result of class enrollment trends observed during Preregistration.

Blue Maguey cactus hearts ripe and ready for distilling at Tequila Cuervo's La Rojeña plant.

Since 1795 Cuervo Gold has been made in only one way. And in only one place.

Here in Tequila, progress doesn't always mean doing things easier or faster. It sometimes means doing things the same way we did them hundreds of years ago. Like creating Cuervo Gold.

For this reason, time-honored traditions still persist here. Persist in a time when quality and dedication are too often overlooked.

Here, under the knowing eye and scrutiny of the Cuervo family, the Blue Maguey is still pampered, nurtured and cultivated. Exactly as it's been done for over 182 years.

Here, the Maguey still flourishes amidst the rich volcanic soil and perfectly tailored climate of Tequila. A combination essential to the perfection of Cuervo Gold. And a combination unmatched anywhere else in the world.

Here too, Cuervo Gold is watched over and distilled until it accepts its pale amber hue and golden smooth taste. A beautiful transition that's been a rare tradition since 1795.

For all these reasons and more, Cuervo Gold is truly something special. Versatile and adaptable. With a taste beyond compare. Neat, on the rocks, with a splash of soda, in a perfect Sunrise or Margarita, Cuervo Gold will bring you back to a time when quality ruled the world.

Cuervo. The Gold standard since 1795.

ARMORY PROCEDURES

Priority for New Students and Special Problems

Newly admitted, reinstated and readmitted students who were unable to preregister and those students meeting the criteria for Schedule II will have priority admission to the Armory. This priority access is designed to: 1) help eliminate the overcrowding in the Armory, 2) enable students who really need courses (new registrants and people with partial schedules) the opportunity to register first, and 3) encourage students to take advantage of preregistration and thus avoid the necessity of going to the Armory.

SCHEDULE 1 — Newly admitted, readmitted, and reinstated students
Tuesday, January 17 — 8:30 a.m. to 3:55 p.m.

This schedule of will apply to newly admitted, readmitted, and reinstated students who did not preregister. Students in this category should report directly to Reckord Armory according to the alphabetic schedule. Newly admitted students must present their Letter of Admission, signed by their Provost, Dean, or designated representative, to be permitted to enter the Armory. Readmitted students must present their Letter of Readmission and reinstated students must present their Letter of Reinstatement to be permitted to enter the Armory. While advisement is not a prerequisite for Armory admission for readmitted and reinstated students, these students are strongly urged to take advantage of campus advisement offices. Only students who had no opportunity to preregister may register according to this schedule.

SCHEDULE II — Partially Scheduled Preregistrants
Tuesday, January 17 — 4:00 p.m. to 6:00 p.m.

This schedule will apply to students who request 9 or more credits in preregistration but receive 8 or less and to students who request 8 credits or less and do not receive the number they request. Students in this category will be notified of their eligibility for Schedule II by a message on their preregistration Schedule Card. This schedule containing the message indicating eligibility and the semester Registration Card will permit students to enter Reckord Armory according to the published alphabetic sequence. Excluded from this category are students who requested 8 or less credits and received the number of credit hours they requested.

SCHEDULE III — All other students
Wednesday, January 18 — 8:30 a.m. to 6:00 p.m.

This schedule will apply to all other students not included in the first two categories. Students who were registered for Fall, 1977 but did not preregister for Spring, 1978 will be included in this category. Students under this category should report, according to alphabetic schedule, to the Armory.

Students are expected to enter the Armory according to the schedule published in this Schedule of Classes. Any student attempting to enter the Armory at a time other than the one assigned will be considered to be violating General University Regulations, specifically, the "General Statement — Student Responsibility." The University Regulation states "Students are expected to conduct themselves at all times in a manner consistent with the University's responsibility of ensuring to all members of the University the opportunity to pursue their educational objectives and of protecting the safety, welfare, rights, and property of all members of the University itself." *Such cases will be referred to the University Judiciary Board for appropriate action.*

Preregistered students are notified on their Preregistration Schedule Card which day they will be eligible to process drops and adds in the Armory.

STEP 5 — HOW TO PAY YOUR BILL

IF YOU DID NOT PREREGISTER	IF YOU DID PREREGISTER
Complete academic course sectioning. Complete the Student Bill Form given to you upon entrance to the Business Services Area at Station #1. Go to Student Aid Desk if you have any form of student aid financial support coming to you. Go to the Business Services area — Station #2 to get bill added. Go to Station #3 to obtain a payment card. Make out your check at the Check Writing Tables, Station #4. Write student's name and social security number on the front of the check. Pay the Cashier at Station #5. Turn in all course slips at the Final Registration Desk, Station #6, as you exit the main floor of the Armory. Registration is not official until "Registrations" (hard copies) of add forms are turned in. A graduate student or part-time undergraduate who returns to add course(s) which result in a net increase to his/her account must pay this amount by January 20, 1978. An additional bill will not be mailed.	Make any academic schedule adjustments. Do not enter the Business Services enclosure. Drop tuition payment in box at the Division of Business Services entrance gate unless you require change from a check. Be sure student's name and Social Security Number is written on the front of your check. If you require change or a receipt, go to the Cashiers Cage in the South Administration Building and make your payment. Any drop/add which results in a net increase to your account must be paid by January 20, 1978 to avoid a late fee. An additional bill will not be sent to you for the drop/add. Exit via the rear door of the Armory.

OTHER BILLING INFORMATION

Bills for payment of fees will be mailed to students who preregistered for the Spring semester. PAYMENT IN FULL MUST BE MADE NO LATER THAN THE FIRST DAY OF CLASSES BY BOTH PREREGISTERED AND REGULAR REGISTRATION STUDENTS. Prompt payment by mail is encouraged to avoid the long lines of registration time.

Payments may be made by mail or at the Office of the Cashier, South Administration Building, Monday through Friday, 8:30 a.m. to 4:15 p.m. Accounts not paid by January 20 are delinquent and are subject to referral to the State Central Collections Unit at Baltimore.

Students paying by personal check may drop payment in Mail Remittances hallway drop box beside Room 1108, South Administration Building, at any time; processed check will serve as receipt. Students paying in person at Cashier's Office are required to present Student ID card with payment.

Students who did not preregister and do not pay their bills while in the Armory have *not* completed registration. As a courtesy, the registration packet will be held at the Final Registration Station until full payment is made. Proof of payment must be shown by Friday, January 20, 1978, and the packet picked up. Failure to do so will result in no registration for the semester and, as a result, no grades.

FAILURE TO PAY OUTSTANDING DEBTS WILL RESULT IN SEVERANCE OF UNIVERSITY SERVICES.

Any preregistered student whose bill is to be paid by an outside agency is requested to come to Room 1103, South Administration Building with a copy of the Agency Purchase Order prior to Registration to receive contract credit. The cut-off date for acceptance of all contracts is January 13, 1978. The student remains responsible for fees if not paid by sponsor.

please note . . .

WHEN A PAYMENT IS MADE TO THE UNIVERSITY, PAYMENT OF ANY OUTSTANDING BALANCE PRECEDES PAYMENT OF CURRENT INDEBTEDNESS. That is, the oldest account balance is liquidated first.

NDSL (National Direct Student Loan) checks will not be available to preregistered students in Armory. Students receiving NDSL checks may pick them up on South Porch of the South Administration Building, 9:00 a.m. to 4:00 p.m., according to the following schedule:

Preregistered Students Only	*Checks in Armory for Non-Preregistered Students Only*	*All Students*

STEP 6 — WHAT TO DO IN THE ARMORY BASEMENT

IDENTIFICATION CARDS

Students entering the Armory basement from the upper arena will be directed to the Photo Identification Stations where they will be photographed and/or issued their Registration Card. Students who received Photo Identification Cards since the Fall 1976 semester should continue to use them. Preregistered students who need only to replace an ID Card may enter the Armory basement at the side facing the North Administration Building.

VEHICLE REGISTRATION

Students who wish to register their motor vehicle(s) will be directed to the northwest door of the Armory Basement. Signs will be posted along the north walkway directing students to the northwest door. Students will enter Room 0126 to complete their vehicle registration applications and then proceed to the west corridor to receive validations. Students will exit through the southwest door.

FINANCIAL AID CHECKS (BEOG, SEOG)

PREREGISTERED STUDENTS may pick up their checks in Room 0135 of the Armory from 8:30 a.m. to 6:00 p.m. on January 17 and 18. You *must* have I.D., proof of credits (preregistration card and/or add slips), and a copy of your bill.

NONPREREGISTERED STUDENTS must come to the Financial Aid tables on the floor of the Armory at the time of regist. ation January 17 and 18 with an I.D., and proof (add slips) of 14 credits (12 credits for I.E.D., academic probation, or less for part-time students receiving BEOG).

PRIOR TO THE 1st DAY OF CLASSES (JANUARY 17, 18), if a full-time undergraduate student drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less,* charges for the semester will be assessed on the basis of the per credit hour fee for part-time students.

However, if the student later adds a course or courses, thereby changing the total number of credits for which he is registered to *9 or more,* the student will be billed for the difference between per credit hour fees paid and the general fees for full-time undergraduates.

ON THE 1st DAY OF CLASSES (JANUARY 19 OR AFTER), if a full-time undergraduate drops a course or courses, thereby changing the total number of credits for which he is registered to *8 or less,* charges for the semester will be assessed on the basis of the full-time general fees. That is, there is no refund for changing from full-time to part-time status on the first day of classes or later. If the student has already made payment as a full-time student, no refund will be processed. If the student has not made payment he will be billed for the full-time undergraduate fees.

IN OTHER WORDS, if at any time on or after the first day of classes, a student is registered for *9 credits or more* he will be billed on the basis of the full-time undergraduate fees.

Students who wish to drop one course and add another at the same credit level should accomplish both transactions on the *same day* to insure additional charges are not imposed.

Special Interest Courses — The Undergraduate Advisement Center has listed, topic by topic, courses that will appeal to students with specifically defined interests.

FEES AND EXPENSES

Returning students will not be permitted to complete registration until all financial obligations to the University including library fines, parking violation assessments and other penalty fees and service charges are paid in full.

Although the University regularly mails bills to students, it cannot assume responsibility for their receipt. If any student does not receive a bill on or before the start of each semester, it is his/her responsibility to obtain a copy of the bill by coming to Room 1103, South Administration Building, between the hours of 8:30 a.m. and 4:15 p.m., Monday through Friday.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill, mailed approximately one month after the start of the semester.

Students will be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. Students removed from housing because of delinquent indebtedness will be placed at the bottom of the waiting list after the financial obligation is satisfied and after reapplying for housing. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to preregister or register for subsequent semesters until the debt is cleared. In the event of actual registration in a subsequent semester by a severed student who had not settled the student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester.

In accordance with State law, the accounts of delinquent and severed students are referred to the State Central Collections Unit in Baltimore for collection and legal follow-up. Costs incurred in collecting delinquent accounts are charged to the student. Collection costs are normally 15% plus any attorney and/or court fees.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of his or her account.

AN IMPORTANT FEE NOTICE —
Although changes in fees and charges ordinarily will be announced in advance, the University reserves the right to make such changes without prior announcement.

EXPLANATION OF MANDATORY FEES

The Application Fee for the undergraduate programs and the summer sessions partially defrays the cost of processing applications for admission accepted in lieu of the matriculation fee. Applicants who have enrolled with the University of Maryland in University College at College Park or Baltimore, or at one of its off-campus centers are not required to pay the fee since they have already paid a matriculation fee.

The Fixed Charges Fee is charged to help defray the cost of operating the University's program at College Park.

The Instructional Materials Fee represents a charge for instructional materials and/or laboratory supplies furnished to students.

The Athletic Fee is charged for the support of the Department of Intercollegiate Athletics. All students are encouraged to participate in all of the activities of this department or to attend the contests if they do not participate.

The Student Activities Fee is a mandatory fee included at the request of the Student Government Association. It is used in sponsoring various student activities, student publications, and cultural programs.

The Recreational Facilities Fee is paid into a fund which will be used to expand the recreational facilities on the College Park campus, especially the Student Union Building.

The Auxiliary Facilities Fee is paid into a fund which is used for expansion and operation of various facilities such as roads, walks, campus lighting and other campus facilities. These facilities are not funded or are funded only in part from other sources.

The Student Health Fee is paid by all full-time students (9 credits or more, Graduate or Undergraduate), every semester — $10.00; and all part-time students (8 credits or less, Graduate or Undergraduate), every semester — $5.00. Full-time employees and staff may not use Health Service Facilities and are not charged the Student Health Fee. Graduate Assistants are not full-time employees.

Registration Fee: $5.00. Charged to all registrants each semester.

OTHER FEES

Application Fee: $15.00
Pre-College Orientation Program Registration Fee: $31.00 (two day program)
$18.00 (one day program)
$ 6.00 (early arrival)
$10.00 (per parent)

Late Application Fee: $25.00

Room Deposit Fee: payable upon application for dormitory room: $50.00 (To be deducted from the second semester room charges at or after registration.)

Vehicle Registration Fee: $12.00 for first vehicle and $3.00 for each additional vehicle in accordance with published regulations. Payable each academic year by all students registered for classes on the College Park Campus and who drive on campus. **For cars registered for the spring semester only the fee is $6.00 on the first car and $3.00 for each additional vehicle.**

Special Fee for students requiring additional preparation in Mathematics (MATH 001) per semester: $75.00 (Required of students whose curriculum calls for MATH 110 or 115 and who fail in qualifying examination for these courses.) This Special Math Fee is in addition to course charge. Students enrolled in this course and concurrently enrolled for 6 or more credit hours will be considered as full-time students for purposes of assessing fees. Students taking only MATH 001 pay for 3 credits plus $75. A 3 credit course plus MATH 001 results in a charge for 6 credits plus $75. A full-time student pays full-time fees plus $75.

Fees for Auditors and courses taken for audit are the same as those charged for courses taken for credit to determine whether or not an undergraduate student is full-time or part-time for fee assessment purposes.

Special Students are assessed fees in accordance with the schedule for the comparable undergraduate classification.

Late Registration Fee: $20.00. All students are expected to complete their registration, including the filing of Schedule Adjustment Forms on the regular registration days. Those who do not complete their registration during the prescribed days must pay this fee.

Withdrawal or Refund of Fees: Any student compelled to leave the University at any time during the academic year should file an application for withdrawal, bearing the proper signature, in the Office of Registrations. If this is not done, the student will forfeit his right to any refund to which he would otherwise be entitled. The date used in computing refunds is the date the application for withdrawal is filed in the Office of Registrations.

Stopping payment on a check does not constitute an official withdrawal.

A request for a refund must be processed by the student with the Division of Business Services, *otherwise* any student account credit will automatically be carried over to the next semester.

In the case of a minor, withdrawal will be permitted only with the written consent of the student's parent or guardian.

Students withdrawing from the University will be credited for all academic fees charged to them in accordance with the following schedule:

Period from Date Instruction begins	*Refundable* *
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	00%

* *Refund is based on a percentage of* **tuition only.**

No part of the charges for room and board is refundable except when the student officially withdraws from the University or when he is given permission by the appropriate officials of the University to move from the residence halls and/or to discontinue dining hall privileges. In these cases, the room refund will be computed by multiplying the number of periods remaining times the pro rate weekly rate. The $20.00 service charge may be assessed when applicable. Refunds to students having full board contracts will be calculated in a similar manner. No room and/or board refunds will be made after the fourteenth week of the semester.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A student who registers as a full-time undergraduate will receive no refund of the General Fee when courses are dropped (irrespective of the number of credit hours dropped) unless the student withdraws from the University. Hence, a student changing from full-time to part-time after the first day of classes receives no refund.

A student who registers as a part-time undergraduate student will be given an 80% refund of the credit hour fee for courses dropped during the first week of classes. No refund will be made for courses dropped thereafter.

A special refund schedule applies to full-time students who are called up as Reservists for military service.

For checks over $100.00: $20.00

Additionally, a minimum 15% collection charge is added to the charges posted to the student's account at the time the transfer is made.

Collection Costs: Collection costs incurred in collecting delinquent accounts will be charged to the student. The University is required by State law to refer all past due accounts to the State Central Collections Unit. The normal collection fee is 15% plus any attorney and/or court costs.

Fine for failure to return book from Reserve Shelf before expiration of loan period: First hour overdue on first day: $1.00; after first hour on first day: $2.00; each additional day: $2.00. [2]For billing purposes, undergraduate full-time status is defined as a registration for 9 credits or more on or after the 1st day of classes.

[3]The special Math fee is in addition to course charge. Students enrolled in this course and concurrently enrolled for 6 or more credit hours will be considered as full-time students for purposes of assessing fees. Student taking only Math 001 pays for 3 credits plus $75. A 3 credit course plus Math 001 results in a charge for 6 credits plus $75.00. A full time student pays full-time fees plus $75.00.

[4]This is in addition to course charges. There is also a $5.00 per week room charge for students not living in campus housing.

*The charge for an AUDIT course is the same as the charge when a course is taken for credit.

**A student who has been admitted to the Graduate School will be charged the graduate credit hour fee for all courses regardless of the level of the course.

BILLING DATES

Student bills will be mailed on the following dates:

December 19, 1977
February 20, 1978
April 3, 1978
June 30, 1978

PLEASE NOTE . . . although the University regularly mails bills to students it cannot assume responsibility for their receipt. If a mailed bill is not received, it is the responsibility of the student to obtain a teletype bill. (8:30-4:15 Room 1103, South Administration Building).

OVERDUE STUDENT ACCOUNTS

The State has established, under legislative mandate, a CENTRAL COLLECTIONS UNIT within the Department of Budget and Fiscal Planning. This campus has been instructed that all delinquent accounts must be transferred to the State Collections Unit.

ALL ACCOUNTS DUE FROM STUDENTS, FACULTY, STAFF, NON-STUDENTS, ETC. ARE INCLUDED WITHIN THESE GUIDELINES.

Collection costs incurred in collecting delinquent accounts will be charged to the student. The University is required by State law to refer all past due accounts to the State Central Collections Unit. The minimum collection fee is 15% plus any attorney and/or court costs.

STUDENTS RECEIVING FINANCIAL ASSISTANCE

Students on scholarships and grants are expected to *maintain* a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

Students sponsored by an agency or their employer remain responsible for their fees. When payment is not received by the University from the sponsor, the student will be charged.

Preregistered students' bills will be mailed. Students not preregistered will complete an estimated bill form at registration time. The following information may be helpful:

1. University Scholarships and Grants will be credited to the bill as designated in award letter. If not credited, deduct the scholarship amount from your preregistered bill balance, and pay the difference.
2. The method for distributing BEOG, SEOG and NDSL awards for the Spring Semester will be published at a later date. When these procedures are completed, each award recipient will be notified of the new procedures.
3. Other Scholarships and Grants paid to the University by an outside agency will be credited to the student's bill. (Exception — National Merit Scholarship checks will be available in Office of Student Aid.)
4. Guaranteed Loan checks are distributed to students by the lending agency, except in those cases where the lending institution sends the check to the University directly. These checks are to be picked up in room 2130C. A copy of the student's bill, as well as a University of Maryland ID, must be shown before the check will be released.
5. Dining Hall cash jobs will be paid bi-weekly to student, as work is performed.
6. Dining Hall Workships (and other University Workships) will be credited to bill as designated in the award letter.
7. College Work-Study and other University student employment will be paid to the student bi-weekly as work is performed.

Awards issued in item #2 may be greater than the University bill. If so, a cash refund for the difference will be made by the Division of Business Services.

For information on refunds due to withdrawal from the University, see instructions in the Schedule of Classes, Spring Semester.

Beginning January 19, students who wish to terminate their registration must follow the withdrawal procedures and are liable for charges applicable at the time of withdrawal. FOR FURTHER EXPLANATIONS OF THE CANCELLATION AND WITHDRAWAL PROCEDURES AND THEIR CONSEQUENCES, SEE PAGE 9.

DEFERRED PAYMENTS

The University of Maryland does not have a deferred payment plan. Payment of all past due balances and current semester fees is due on or before the first day of classes.

It is the policy of the University *not* to defer payment of fees on the basis of a pending application for financial assistance to an outside agency. This includes Veterans Administration, banks, guaranteed student loan programs, etc.

Students who experience delay in receiving BEOG and SEOG checks should contact the Student Aid Office to obtain certification that the check has been ordered. This written certification must be presented to the Division of Business Services.

They must obtain a letter of permission from a UMUC Academic Advisor and present it at the Armory in order to complete registration.

UNOFFICIAL TRANSCRIPTS

During the year unofficial transcripts are not available unless required for on-campus advisement purposes for currently enrolled students. Division and College offices on campus have record information for purposes of changing Division/College, etc.

An unofficial transcript will be available with your preregistration material later this spring. This copy is for your personal use and serves as a way for you to check the accuracy of the record.

If you have need of record information for other purposes, please request an official transcript at the Registrations Office, North Administration Building. Official transcripts are generally processed within two days, and on occasion, the same day.

Request must be in writing and a transcript cannot be processed if an outstanding debt is owed to the University. Contact the Registrations Office if you have further questions.

CANDIDATES FOR MAY 1978 GRADUATION

An application for graduation must be filed in the Registrations Office by February 7, 1978. Applications are available at the Registrations Office Counter, 1st Floor Lobby, North Administration Building, 9:00 a.m. to 4:00 p.m., Monday through Friday, and in all Provosts' and Deans' Offices, 8:30 a.m. to 4:30 p.m., Monday through Friday.

COMMENCEMENT HONORS

Honors for excellence in scholarship are awarded to not more than ten percent (10%) of the graduating class in each degree granting unit. Summa Cum Laude is offered to the highest two percent (2%), Magna Cum Laude to the next three percent (3%), and Cum Laude to the next five percent (5%). To be eligible for this recognition, a total of at least two years of residence (60 semester hours) is required. No student with an average less than 3.00 will be considered. (The computation of the average does not include grades for courses taken during the last semester of registration before graduation, although the hours earned for that semester may apply toward the 60-hour requirement.)

CHANGE OF ADDRESS PROCEDURE

WHO?

ALL STUDENTS enrolled at the University of Maryland, College Park Campus.

WHEN?

Changes in either local mailing address or permanent address can be processed AT ANY TIME DURING THE SEMESTER THAT THEY OCCUR.

WHERE?

Address changes are posted to the computer by the Division of Business Services. Address Change Forms are available at the following places:

1. Division of Business Services, Address Unit, Room 1121 or 1103, South Administration Building, 8:30 a.m. to 4:15 p.m. Monday through Friday.
2. Registrations Counter first floor lobby, North Administration Building, 9 a.m. to 4 p.m. Monday through Friday.
3. Deans' or Provosts' Offices — 8:30 a.m. to 4:30 p.m. Monday through Friday.
4. STAR CENTER, Room 1122 Student Union, 9 a.m. to 4 p.m. Monday through Friday.

WHY?

Since many of the University's communications to students are handled through the mail, it is imperative both to the student and to the University that accurate and up-to-date addresses be maintained throughout the time of enrollment in the University.

Currently Registered Students — during the academic year the local address on file will be used for all mailings other than billings and grade reports. Grade reports and bills will be mailed to the student's permanent address.

Students Not Currently Registered — the permanent address on file will be used for all mailings.

GUIDELINES TO ADMINISTRATION OF EXAMINATIONS AND TESTS ON RELIGIOUS HOLIDAYS

Examinations and tests: All examinations and tests shall be given during class hours in accordance with the regularly scheduled (or officially "arranged") time and place of each course listed in the Schedule of Classes and/or the Undergraduate Catalog. Unpublished changes in the scheduling or location of classes/tests must be approved by the department chairman and reported to the Provost. It is the responsibility of the student to be informed concerning the dates of announced quizzes, tests and examinations.

An instructor is not under obligation to give a student a make-up examination unless the absence was caused by illness, religious observance, or by participating in University activities at the request of University authorities.

A make-up examination, when permitted, must be given on Campus, unless the published schedule and course description require other arrangements. The make-up examination must be at a time and place mutually agreeable to the instructor and student, cover only the material for which the student was originally responsible, and be given within a time limit that retains currency of the material. The make-up must not interfere with the student's regularly scheduled classes. In the event that a group of students require the same make-up examination, one make-up time may be scheduled at the convenience of the instructor and the largest possible number of students involved. Under the same guidelines students shall have equal access to all information and drills missed due to the reasons listed.

GENERAL UNIVERSITY REQUIREMENTS (G.U.R.)

Effective August 1973, new GENERAL UNIVERSITY REQUIREMENTS replaced the General Education Requirements. Students enrolled in the University prior to August 1973 have the option of completing either the old General Education Requirements or the new General University Requirements. *All students first entering the University in August 1973 or after must complete the new General University Requirements.*

GENERAL UNIVERSITY REQUIREMENTS consist of 30 semester hours of credit distributed as described below:

I. At least 6 credits must be taken in each area. At least 9 of the 30 semester hours must be taken at the 300 level or above. None of the 30 hours may be counted toward published departmental, college or divisional requirements for a degree. Students may select either the pass-fail or letter grading option for these courses as outlined in this Schedule (see PASS-FAIL OPTION DEFINED).

Area A: 6-12 hours elected in the Divisions of Agricultural and Life Sciences; Mathematical & Physical Sciences & Engineering.

Area B: 6-12 hours in the Divisions of Behavioral and Social Sciences: Human and Community Resources.

Area C: 6-12 hours in the Division of Arts & Humanities.

In meeting these area requirements, students may choose from among any undergraduate courses for which they are qualified. Students are urged to consult with academic advisors for guidance in determining which courses in each area best fit individual needs and interests.

II. Demonstration of competency in English composition. Unless the student has been exempted from English composition, at least one course in this subject will be required. Exemption is granted if the student earns an acceptable SAT Verbal or English Advanced Placement Test score (score announced annually), or by satisfactory completion of a similar course at another institution. Students taking a course to satisfy this requirement may apply the credits toward the 30-hour General University Requirement but may not count these credits toward the satisfaction of the minimum 6-hour requirement in any of the three designated areas. Credit for such a course may be in addition to the 12-hour maximum in any area.

To further define "area" this chart has been prepared by the Advisor's Workshop. On the chart is listed the prefix of all courses offered on the College Park campus. The prefixes are listed according to which area (A, B, or C) of the General University Requirements they will meet.

GENERAL ACADEMIC INFORMATION

The changes in academic information described on the following pages became effective August 1973 and are applicable only to course work for August 1973 and after.

REQUIREMENTS FOR RETENTION AND GRADUATION

1. A minimum of 120 credits of successfully completed (not I, F, or W) course credits are required for graduation in any degree curriculum. Credits transferred, or earned during prior admissions terminating in academic dismissal or withdrawal and followed by readmission, will be applicable toward meeting credit requirements for a degree.
2. A full-time student will be placed on academic probation at the end of any semester in which he does not achieve a total of 24 quality points for that semester. An exception to this rule will be made for full-time students registered for less than 12 credits at the end of the Schedule Adjustment Period (the close of the 10th day of classes) who will be required to earn: 18 quality points if registered for 9 credits, 20 quality points if registered for 10 credits; and 22 quality points if registered for 11 credits. Exceptions are also allowed for all full-time students in their first semester of registration on the College Park Campus, who must earn at least 18 quality points for that semester. This exception does not apply to students who have earned more than 8 credits through previous registration in the University.
3. Any student, full- or part-time, who fails to maintain a minimum *cumulative* average of 1.95 at the end of any semester following that in which the total of credits completed at the College Park Campus (with grades of A, B, C, D, P, S, or F), plus any credits transferred, is 45 credits, will be placed on academic probation. Credits completed with grades of A, B, C, D, and F, but not S, P, or I will be used in the computation of the cumulative average.
4. A student who does not meet the academic standards for any given semester will be placed on probation and must display acceptable performance in quality points and cumulative average (if applicable) during the next semester in order to regain good academic standing. A student who has not previously been dismissed will be dismissed at the end of the second consecutive, or fourth non-consecutive semester of unacceptable performance. Courses for which the mark "W" is recorded are excluded from computations of quality point and cumulative average totals at the end of the semester. However, such courses remain in computation of the minimum quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
5. A student who has been academically dismissed and who is reinstated, will be academically dismissed again if he does not meet the academic standards for any two additional semesters after his return. In the computation of his cumulative average after return, all credits attempted at the University of Maryland will be used.
6. When a student is placed on academic probation or is academically dismissed, the action shall be entered on the student's official and permanent record.
7. Any course may be repeated, but if a student repeats a course in which he has already earned a mark of A, B, C, D, P or S, the subsequent attempt shall not increase the total hours earned toward the degree. Only the higher mark will be used in computation of the student's cumulative average. However, the student's quality points in a given semester shall be determined by that semester's grades.
8. Any appeal from the regulations governing academic probation or academic dismissal shall be directed to the Petition Board, which shall be empowered to grant relief in unusual cases, if the circumstances warrant such action.

MARKING SYSTEM

1. The following symbols are used on the student's permanent record for all courses in which he is enrolled after the initial registration and schedule adjustment period: A, B, C, D, F, I, P, S, and W (Instructors are not permitted to change a grade of "W".) These marks remain as part of the student's permanent record and may only be changed by the original instructor on certification, approved by the department chairman and Divisional Officer, that an actual mistake was made in determining or recording the grade.
2. The *mark of A* denotes excellent mastery of the subject. It denotes outstanding scholarship. In computations of cumulative or semester averages a mark of A will be assigned a value of 4 quality points per credit hour.
3. The *mark of B* denotes good mastery of the subject. It denotes good scholarship. In computations of cumulative or semester averages a mark of B will be assigned a value of 3 quality points per credit hour.
4. The *mark of C* denotes acceptable mastery. It denotes the usual achievement expected. In computation of cumulative or semester averages a mark of C will be assigned a value of 2 quality points per credit hour.
5. The *mark of D* denotes borderline understanding of the subject. It denotes marginal performance, and it does not represent satisfactory progress toward a degree. In computations of cumulative or semester averages a mark of D will be assigned a value of 1 quality point per credit hour.
6. The *mark of F* denotes failure to understand the subject. It denotes unsatisfactory performance. In computations of cumulative or semester averages a mark of F will be assigned a value of 0 quality points per credit hour.
7. The *mark of P* is a student option mark, equivalent to A, B, C, or D. (See PASS-FAIL option). The student must inform the Office of Registrations of his selection of this option by the end of the schedule adjustment period. In computation of cumulative averages a mark of P will not be included. In computation of quality points achieved for a semester, a mark of P will be assigned a value of 2 quality points per credit hour.
8. The *mark of S* is a department option mark which may be used to denote satisfactory participation by a student in progressing thesis projects, orientation courses, practice teaching and the like. In computation of cumulative averages a mark of S will not be included. In computation of quality points achieved for a semester, a mark of S will be assigned a value of 2 quality points per credit hour.
9. The *mark I* is an exceptional mark which is an instructor option. It is given only to a student whose work in a course has been qualitatively satisfactory, when, because of illness or other circumstances beyond his control, he has been unable to complete some small portion of the work of the course. In no case will the mark I be recorded for a student who has not completed the major portion of the work of the course. The student will remove the I by completing work assigned by the instructor. It is the student's responsibility to request arrangements for completion of the work. An "Incomplete Contract" should be drawn up between student and instructor outlining these arrangements. A copy of this is to be filed in the Department Office. The work must be completed by the end of the next semester in which the course is again offered and in which the student is in attendance at the College Park Campus; otherwise the I becomes terminal (equivalent to W). Exceptions to the time period cited above may be granted by the student's Dean or Divisional Officer upon the written request of the student if circumstances warrant further delay. If the instructor is unavailable, the department chairman will, upon request of the student, make appropriate arrangements for the student to complete the course requirements. It is the responsibility of the instructor or department chairman concerned to return the appropriate supplementary grade report to the Office of Registrations promptly upon completion of the work. The I cannot be removed through registration for the course or through the technique of "credit by examination". In any event this mark shall not be used in any computations.
10. The *mark W* is used to denote that the student withdrew from a course in which he was enrolled at the end of the Schedule Adjustment Period. For information and completeness, the mark "W" is placed on the permanent record by the Registrations Office. This mark shall not be used in any computation of quality point or cumulative average totals at the end of the semester. However, this mark does not change the minimum number of quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
11. *Audit.* A student may register to audit a course or courses in which space is available. The notation AUD will be placed on his transcript for each course audited. A notation to the effect that this symbol does not imply attendance or any other effort in the course will be included on the transcript in the explanation of the grading system.

CREDIT BY EXAMINATION FOR UNDERGRADUATE STUDENTS

The following statement was approved by the Board of Regents January 1974.

1. Credit may be earned by examination for any undergraduate course, for which a suitable examination has been adopted or prepared by the department granting the credit. When standardized CLEP (College Level Examination Program) examinations are available and University of Maryland approved, they may be used.
2. Any student may take a course by examination by obtaining an application form from Dr. Helen Clarke (Room 3151, Undergraduate Library), paying the requisite fees, and taking the examination at a time mutually agreeable to the student and the department offering the course.
3. The applicant must be formally admitted to the University of Maryland. Posting of credit, however, will be delayed until the student is registered.
4. Application for credit by examination is equivalent to registration for a course; however, the following conditions apply:
   A. A student may cancel his application at any time prior to completion of the examination with no entry on his permanent record. (Equivalent to the schedule adjustment period.)
   B. The instructor makes the results of the examination available to the student prior to formal submission of the grade. Before formal submission of the grade, a student may elect not to have this grade recorded. In this case a symbol of "W" is recorded. (Equivalent to the drop procedure.)
   C. No course may be attempted more than twice.
   D. The instructor must certify on the report of the examination submitted to the Registrations Office that copies of the examination questions or identifying information in the case of standardized examinations, and the student's answers have been filed with the Chairman of the department offering the course.
5. Letter grades earned on examinations to establish credit (if accepted by the student) are entered on the student's transcript and used in computing his cumulative grade point average. A student may elect to take an examination for credit on a "Pass-Fail" basis under the normal "Pass-Fail" regulations.
6. Undergraduate students may earn by examination no more than half the credits required for the degree.
7. Fees for Credit by Examination.
   A. Fees for CLEP (College Level Examination Program) and other standardized examinations.
      (a) Fees for these examinations are determined externally and are not altered by the University. Credits earned by taking such examinations are treated as transfer credits.
   B. Fees for University administered examinations to establish credit.
      (1) Full-time students are charged $30.00 for each course examination regardless of the number of credits. This fee is paid upon application for the examination and is not refundable regardless of whether or not the student completes the examination.
      (2) Part-time students are charged on the same cost-per-credit-hour basis as though they were taking the course in the regular manner.

PASS-FAIL OPTION DEFINED UNDERGRADUATE

1. An undergraduate who has completed 15 or more credit hours at the College Park Campus and has a cumulative average of at least 2.00 may register for courses on the PASS-FAIL option during any semester or summer session.
2. Certain divisional requirements, major requirements or field of concentration requirements do not allow the use of the PASS-FAIL option. Certain courses within a department may be designated by that department as not available under the PASS-FAIL option. It is the responsibility of each student electing this option to ascertain in conjunction with his Provost, Dean, department or major advisor, whether the particular courses will be applicable to his degree requirements under the PASS-FAIL option.
3. No more than 20 percent of the College Park campus credits offered toward the degree may be taken on the PASS-FAIL option basis.
4. Students registering for a course under the PASS-FAIL option are required to complete all regular course requirements. Their work will be evaluated by the instructor by the normal procedure for letter grades. The instructor will submit the normal grade. The grades A, B, C, or D will automatically be converted by the Office of Registrations to the grade P on the student's permanent record. In computation of cumulative averages a mark P will not be included. In computation of quality points achieved for a semester a mark of P will be assigned a value of 2 quality points per credit hour. The grade F will remain as given. The choice of grading option may be changed only during the schedule adjustment period for courses in which the student is currently registered.

NOTE: Changes of grading option (e.g., Regular to PASS-FAIL) may be processed only during the first ten days of classes.

GRADUATE — Not eligible for the PASS-FAIL grading option.

The University reserves the right to change, eliminate, or modify course offerings when, in the judgments of University authorities, circumstances make such action necessary.

The information outlined in this publication applies only to registration in the regular day programs of the College Park Campus of the University of Maryland.

DIVISION/COLLEGE/MAJOR CHANGES

Division, college and major changes may be made at any time, the only restrictions being Board of Regents limitations on enrollment.

Forms to initiate these changes will be available at the division and college offices and at the Registrations Office, first floor lobby, North Administration Building.

Refer to the organizational chart on page 17 and the code table on this page of this Schedule of Classes to verify that you have processed all the necessary changes and are using the correct codes.

ALL students must have 1) a division code, 2) a college code and 3) a major (course of study) code. Please make sure that you have a valid combination of all three.

If your major (course of study) comes directly under the jurisdiction of a division provost, your college code should be "99 — No College, Undergraduate"

CHANGE IN DIVISION (Undergraduate Students Only)

1. Division changes may be made at any time, the only restrictions being Board of Regents limitations on enrollment.
2. To initiate a change of division, go to the provost's office of the division in which you wish to enroll. Forms and unofficial academic record information are available in the provost's office.
3. The provost of the new division will relay the information to the Registrations Office.
4. The divisions involved will assume responsibility for the appropriate transfer of complete records.

CHANGE IN COLLEGE (Undergraduate Students Only)

1. College changes may be processed at any time, the only restrictions being Board of Regents limitations on enrollment.
2. To initiate a change of college, go to the dean's office of the college in which you wish to enroll. Forms and unofficial academic record information are available in the dean's office.
3. The dean of the new college will relay the information to the Registrations Office.
4. The colleges involved will assume responsibility for the appropriate transfer of complete records.

CHANGE IN MAJOR (Undergraduate Students Only)

1. Major changes may be processed at any time, the only restrictions being Board of Regents limitations on enrollment.
2. Forms for this purpose are available at the Registrations Office, first floor lobby, North Administration Building, and at division and college offices.
3. The form indicating the change information should be turned in with the Registration Materials at the time of Registration or turned in to the Registrations Office Counter at a later time during the semester.
4. Be sure to also complete a Division-College Change form if appropriate.

UNDECIDED ABOUT A COLLEGE, DIVISION AND/OR MAJOR AND WANT TO BE ADVISED BY THE UNDERGRADUATE ADVISEMENT CENTER

1. Students who wish to change from their current college or division to undecided should obtain a Change of College form from the Registrations Counter, 1st floor lobby, North Administration Building.
2. The change of college form should be taken to the Undergraduate Advisement Center, Room 3151 Undergraduate Library (x2733, x3040), where unofficial academic information is available.
3. The undecided student will be unofficially registered in the Office of the Dean for Undergradaute Studies and receive his advisement from the Undergraduate Advisement Center. These offices and the student's former college will assume responsibility for the appropriate transfer of complete records.

CHANGE IN PROGRAM (Graduate Students Only)

1. A graduate student who wishes to change programs or degree objectives must submit a new application with fee to the Graduate School. Current deadlines for new applications apply.

FOREIGN LANGUAGE PLACEMENT

ARTS AND HUMANITIES REQUIREMENTS: If a student has had three years of one foreign language or two years in each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign language in the division, although he may elect to do so.

However, the College of Journalism requires completion either by course work or placement, of any intermediate language level (104, 115). The School of Architecture has no foreign language requirement.

FRENCH DEPARTMENT: Students who have had at least two years or more of high school French are normally expected to enroll in French 104 (Intermediate French), but may (as the result of placement) take French 103 (Elementary French Review). Students with less than two years of high school French or with a five-year gap in their French studies may take French 101. Admission to French 102 is limited to those who have completed 101 at the University of Maryland, College Park. A student who has taken French 101 or French 103 on the College Park campus or their equivalent on any other campus *may not* take French 121 (Accelerated French I) for credit. "Audit," however, is permitted. Any student who has taken French 104 on the College Park campus, or its equivalent on any other campus, *may not* take French 122 (Accelerated French II) for credit. Again, the option of "Audit" remains open. A departmental placement exam will be given to *all* students registering *for the first time* on this campus for French language courses in the basic and intermediate sequence (100 level and 201 and 211). The examination will be administered in the language laboratory of the Language Media Center during the week prior to preregistration, during preregistration week and during registration week from 8 a.m. to 3 p.m. The exam may be taken during those times at the student's convenience. Students must take this examination before registering so that they may be placed at the proper course level. Results will be posted in the Department of French and Italian. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain of their ability to take Spanish 104, or (2) they wish to be exempted from Spanish 104.

Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Spanish 101 for credit provided he obtains the permission of the Chairman of the Department. Students starting in Spanish 101 must follow the prescribed sequence of Spanish 101, 102, and 104.

Students who feel uncertain of their ability to take Spanish 104 may choose to take Spanish 103 (a one semester review course) without taking the University Placement exam.

Spanish students placing in 103 must complete 104 to satisfy the divisional language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.

GERMAN AND SPANISH PLACEMENT EXAM SCHEDULE

During the Spring semester there will be placement testing in Room 0106, Shoemaker Building at 3:30 p.m. every Thursday. To be admitted for testing, students must have a picture I.D.

Testing during Spring Registration is scheduled for Tuesday, January 17, 1978 at 3:30 p.m. in Room 0106, Shoemaker Building. Bring a picture I.D. in order to be admitted.

A GUIDE TO THE RETENTION PLAN

The material printed below is meant to illustrate graphically certain provisions of the academic RETENTION PLAN. It can serve, for both new and experienced students, as a guide for schedule planning and schedule change. It is *not* meant as a substitute for a thorough reading of "Requirements for Retention and Graduation," as found elsewhere in this Schedule or in the Undergraduate Catalog. This material was prepared by Dr. Joseph F. Metz, Jr., Assistant Dean for Undergraduate Studies, and the staff of the Undergraduate Advisement Center.

TABLE I

The College Park Retention Plan is based on (1) QUALITY POINTS *and* (2) CUMULATIVE AVERAGE. Here's how to compute both.

(1) QUALITY POINTS (Q.P.'s): For each semester, Q.P.'s are awarded for grades of A, B, C, D, P, and S. To figure how many Q.P.'s you have earned, or expect to earn, for each of your courses, do the following:

Q.P.'s given for expected or Actual Grade			Number of Credits in The Course	=	Total Quality Points for the Course
	A= 4 B= 3 C= 2 P= 2* S= 2* D= 1 F= 0	×			

EXAMPLE: Semester Schedule of 15 Credits —

Course	*Grades*	*Credits Earned*	*Q.P.'s*
ENGL 101	C	3	6
MATH 110	B	3	9
ZOOL 101	A	4	16
EDIN 101	P*	2*	4*
PSYC 100	D	3	3
		15	38

*These count only in figuring your Q.P.'s for the semester. They are not counted in your cumulative average.

(2) CUMULATIVE AVERAGE: Your cumulative average is based on TOTAL CREDITS ATTEMPTED — Any course you've ever taken at any of the University campuses for which you've been assigned a Grade of A, B, C, D, or F — and the TOTAL NUMBER OF QUALITY POINTS you've earned for these courses. (See Note below for Repeated Courses). Courses for which a Grade of "P" or "S" has been assigned are NOT included. To figure your cumulative average do the following:

NUMBER OF Q.P.'s EARNED	÷	NUMBER OF CREDITS ATTEMPTED	=	CUMULATIVE AVERAGE

EXAMPLE: Semester Schedule of 15 Credits (See Example Above)

Course	*Grades*	*Credits Attempted*	*Q.P.'s*	*Cumulative Average*
ENGL 101	C	3	6	
MATH 110	B	3	9	
ZOOL 101	A	4	16	Q.P.'s Earned — 118
EDIN 101	P	(2)	(4)	÷
PSYC 100	D	3	3	Credits Attempted — 40
Current Semester Totals		13	34	=
Previous Semester Totals		27	84	2.95
Total Credits		40	118	

NOTE: If you repeat a course that you took in the Fall Semester, 1973, or any semester since then, count only credits and quality points for the higher grade received for that course when figuring total credits attempted and total quality points.

TABLE II

MINIMUM QUALITY POINT REQUIREMENT:
If, at the end of Schedule Adjustment Period (First 10 days of classes) You are officially registered for:

12 or more credits	11-9 credits	8-1 credits
You must earn for this semester a minimum of:		
24 Quality Points (On grades of A, B, C, D, P, and S. Marks of F, W, and I do not confer Quality Points) Note: See Table III, below for exceptions	22 Q.P.'s for 11 credits 20 Q.P.'s for 10 credits 18 Q.P.'s for 9 credits	For part-time students there is no minimum quality point requirement. Note: If you have completed 45 credits, you must fulfill the cumulative average requirement, below.

CUMULATIVE AVERAGE REQUIREMENT:

If at the end of last semester, your total number of credits completed was 45* or more, then at the end of this semester you must have:

The Minimum Quality Point Requirement (Full-time Students — 9 or more credits)	*and*	A Cumulative Grade Point Average of 1.95 (Full-time *and* Part-time Students)

+On your grade report for last semester, add "hrs. attempt." *and* "transfer credit level" and pass-fail courses to see if you have 45 or more.

Credits completed with grades of A, B, C, D, and F, but not S, W, P, or I will be used in the computation of the cumulative average.

If these requirements are not met, Academic Probation will result. Two consecutive or four non-consecutive semesters of Academic Probation will result in Academic Dismissal.

TABLE III

Are you registering at the College Park Campus for the *First Time*? If so, then here's what you need to earn in your first semester for the Retention Plan:

A. FULL-TIME FRESHMAN[2] with no more than 8 credits earned through prior college/university attendance —	B. FULL-TIME TRANSFER[3] STUDENT with 44 or fewer credits accepted for transfer —	C. FULL-TIME TRANSFER[3] STUDENT with 45 or more credits accepted for transfer —
18 Q.P.'s	18 Q.P.'s	1.95 Cumulative Average

NOTE: To meet this requirement, students registering for 12 or more credits would have to earn at least 24 Q.P.'s. Students registering for 9 credits would have to earn 18 Q.P.'s; 10 credits — 20 Q.P.'s; 11 credits — 22 Q.P.'s.

[2](i.e., students registered for 9 or more semester hours)

[3]"Full-time Transfer Student" includes students transferring from other University of Maryland campuses. Grade Point Averages, Semester Hours Attempted, Semester Hours Earned, and Quality Points from the other campus(es) are included in all College Park calculations.

ADVISEMENT INFORMATION

INTRODUCTORY STATEMENT

UNDERGRADUATE — With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to become familiar with the degree requirements indicated in the Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

For additional information about advisors and advisement procedures contact the Undergraduate Advising Center, Room 3151, Undergraduate Library, or call x3040 or x2733.

Advisement is required for all first semester freshmen and transfer students.

GRADUATE — Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

CREDIT LIMITS DEFINED

UNDERGRADUATE – limited to 19 sem. hrs.

Any exceptions must be approved by the Dean or Provost. Forms for this purpose will be available in the Dean's or Provost's Office and should be turned in with Registration Materials.

GRADUATE — limited to 15 sem. hrs.

GRADUATE STUDENTS with a Teaching or Research Assistantship — limited to 10 sem. hrs.

FULL-TIME STATUS DEFINED

Effective August 1973, official status (either full-time or part-time) for academic purposes will be determined on the basis of a student's registration at the end of the Schedule Adjustment Period. The Schedule Adjustment Period is defined as the first ten days of classes.

UNDERGRADUATE – Full-time – Registered for 9 or more semester hours at the end of the Schedule Adjustment Period. Note, however, that students on scholarships and grants are expected to maintain a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GRADUATE — Full-time — Registered for minimum of 48 graduate *units* at the end of the Schedule Adjustment Period.

GRADUATE STUDENTS with Teaching or Research Assistantship — Full-time — Registered for minimum of 24 graduate *units* at end of the Schedule Adjustment Period.

TABLE FOR COMPUTING GRADUATE UNITS

COURSE NUMBER	GRADUATE UNIT
000-399	2 units per credit hr.
400-499	4 units per credit hr.
500-599	5 units per credit hr.
600-898	6 units per credit hr.
799	12 units per credit hr.
899	18 units per credit hr.

COURSE NUMBERING SYSTEM DEFINED

UNDERGRADUATE – eligible to register for courses numbered 000-499. Freshmen and sophomores may not take 300-499 numbered courses. Any exceptions require special permission from the Dean or Provost.

GRADUATE — eligible to register for courses numbered 400-899.

COURSE NUMBERING SYSTEM

NUMBER	ELIGIBILITY
000-099	Non-credit course
100-199	Primarily freshman course
200-299	Primarily sophomore course

400-499	Junior, senior course acceptable for credit toward some graduate degrees.
500-599	Professional School course (Dentistry, Architecture, Law, Medicine) or post-baccalaureate course.
600-899	Course restricted to graduate students
799	Masters Thesis credit
899	Doctoral dissertation credit
	Courses with last digit of 8 or 9 can be repeated for additional credit

UNDERGRADUATE STUDENT CLASSIFICATIONS DEFINED

Sophomore	28-55 semester hours
Junior	56-85 semester hours
Senior	86 to at least 120 semester hours

ZERO-LEVEL COURSES

BTPT 001	FOLA 001	FOLA 002
GERM 001	MATH 001*	RUSS 001

Although these courses carry credit for billing and status purposes, they are regarded as having zero credit for academic calculation purposes. Therefore, these courses are excluded from the calculation of credits registered at the end of the Schedule Adjustment Period, from the calculation of quality points and from the calculation of cumulative grade point averages.

Math 001 fees are also discussed under "Billing Information — Other Fees" and "Refund Policy for Math 001."

EDAD 798R — SYMPOSIUM IN CYBERNETICS, INFORMATION SCIENCE AND SYSTEMS SCIENCE (3). A special, interdisciplinary seminar designed to permit problem solving in the context of the new system sciences. The seminar provides a system science approach to problems proposed by the participants. Samples of previous problems include: defining essential variables for organizations, a model of why organizations fail, a model of an open university, and the nature of explanation and theory. Each student will learn a general systems problem solving approach and will apply it to his/her own problem. Each student taking the course for credit will be responsible for one class presentation and a term paper. The term paper will, at a minimum, evaluate one or more solution methods for the problem and will preferably specify a design for the solution. The prerequisites for the course are: a commitment to a problem of practical or theoretical significance, knowledge of an established discipline, and permission of one of the sponsoring faculty. The sponsoring faculty are Dr. Clemson (Education), Dr. Heilprin (Library Science), and Dr. Sayani (Information Systems Management). The course is cross-listed as EDAD 798R, LBSC 703, and IFSM 788.

AFRO-AMERICAN STUDIES PROGRAM

AASP 428I — THE ECONOMICS OF RACISM (3) (S. Yimenu). The role of economics in the history of black oppression is examined and analyzed. Of particular concern will be an evaluation of the role of racism in the underdevelopment of the black economies and its impediment of their goals.

AASP 428W — THE BLACK WOMAN IN AMERICA (3) (S. Harley). A review and analysis of the roles and status of Black American women through time: from traditional African settings, through the arrival of Africans in America as indentured servants and slaves, to modern times. General concerns — such as her role within the family, sexuality, politicization, and special health problems — will be examined in the context of the impact of slavery, racial discrimination, and urbanization on the evolution of the Black woman in the U.S.

AASP 429M — THE HISTORY OF BLACKS IN MOTION PICTURES (3) (M. Tsomondo). Through the use of selected readings and a collection of motion pictures (which will be shown in class), this course attempts to (a) bring about a better knowledge of the Black experience in the U.S., (b) survey, evaluate, and criticize the various ways in which the Black experience, struggle and image have been distorted by the motion picture and television industries from about 1900 to the present. The course also attempts to evaluate the persistence of the negative stereotypes of Blacks in today's television shows and motion pictures.

AASP 429P — THE HISTORY OF PAN AFRICANISM (3) (R. Williams). This course examines the origin and significance of the Pan African thought through the views of leading Pan-Africans throughout the Black diaspora such as George Padmore, W. E. B. DuBois, C. L. R. James and other personalities, organizations, and issues involved with the Pan-African Movement.

AASP 429Q — THE HISTORY AND POLITICS OF THE BLACK ATHLETE IN AMERICA (3) (Al-Tony Gilmore). This course analyzes the impact and social significance of the black athlete in America from the 19th century to the present, through an examination of the interplay of sport and society. Of particular concern will be the impacts of Jack Johnson, Joe Louis, Jackie Robinson and other personalities, organizations, and issues.

AMERICAN STUDIES PROGRAM

AMST 202 — INTRODUCTION TO AMERICAN STUDIES II. Focus on *Community* — as fact and as idea — as a way to understand how modern America has responded to the social stresses and cultural strains involved in industrialization.

AMST 298A — SOAP OPERA AND DAYTIME TELEVISION (Stoddard). Considers American cultural values and institutional practices through focus on the soap opera as cultural genre. Sees the TV industry as an arena for understanding how various publics in American society respond to a medium of popular culture.

AMST 298B — POPULAR MUSIC IN AMERICAN CULTURE, 1945 TO THE PRESENT (Keesing). Focuses on forms of popular music as a window into American cultural values in the post WW II era.

AMST 298C — THE JEWISH WOMAN IN AMERICA (Schmidt). Considers ethnic distinctiveness in American society by focus on characteristic experiences of the Jewish woman.

AMST 298E — WOMEN AND EDUCATION IN AMERICAN CULTURE (Reuben). Considers how education has functioned both as an agent of liberation and of suppression vis-a-vis women in modern American culture.

AMST 298F — AMERICAN MATERIAL FOLK CULTURE (Camp). Focus on the expression of folk culture in America through its material artifacts.

AMST 498A — FILM CULTURE BETWEEN THE WARS, 1919-1941 (Lounsbury). Consideration of American cultural patterns, and changes in those patterns, by focus on the genre of film between the two world wars.

AMST 498B — THE FEMALE HERO IN AMERICAN CULTURE (Pearson). Whereas the hero is characteristically — and implicitly — seen as male in American eyes, this course reverses the role-priorities by looking at the woman as culture hero.

DEPARTMENT OF ANTHROPOLOGY

ANTH 361 — HUMAN EVOLUTION AND FOSSIL MAN. The fossil evidence of human evolution will be examined in lectures and the laboratory. We will consider human biological history as well as choice scientists who made the discoveries. Highlights will include the place of Homo sapiens and ancestors in the animal kingdom, the primate order, and the unique cultural world that developed.

ANTH 389B — SOCIAL ANTHROPOLOGY OF FOOD. A seminar discussion course on how human food is found, prepared, cooked and served, and the varied cultural beliefs attached to them. The course will discuss how food is used as a status symbol, how it is used to communicate with the supernatural, and how it is used to define social groups.

ANTH 389C — PUEBLO CULTURE HISTORY. The development of Pueblo Indian culture as seen in the archeological record and through historical and ethnographic sources.

ANTH 389D — ECOLOGY AND IDEOLOGY. Evolutionary theory and cultural ecology in anthropology usually do not consider systems of ideas (religion, ideology, dreams, sentiments, etc.) as more than reflecting and reinforcing subsystems. Materialists within anthropology have had little to say about these areas and are now beginning to be aware of their importance and of the work done on them by materialists beyond anthropology. This course will cover advances made in the last decade at integrating ideology back into materialist theory.

ANTH 389E — ANTHROLINGUISTIC ANALYSIS. An examination of competing approaches to the study of syntax and semantics. Linguistic universals. Specific syntactic structures of natural languages. Relative clauses in South American SOV languages.

ANTH 389G — ARCHAEOLOGY AND HISTORY. The archaeology of medieval Europe is combined with historical materials from the same period to examine how these two sources of data complement each other. Historical archaeology, ever more prominent in the United States, is well-developed in Europe and the systematic ties between artifacts and written records, which comprise the uniqueness of historical archaeology, form the core of this course.

ANTH 389H/689B — SOCIOBIOLOGY. Work of E. O. Wilson and other evolutionary ecologists suggest that the behavior of animal populations is explicable by the action of natural selection. Their work on animal populations will be reviewed and the value of extending their methods and generalizations to human populations extensively investigated. Special consideration will be given to the controversy over changes in genetic/cultural information for determining the fitness of populations.

ANTH 466 — FORENSIC ANTHROPOLOGY. A combination lecture-laboratory study of how incomplete and skeletal human remains are identified for medical-legal purposes and the type of information they can supply, as well as the legal implications.

ART DEPARTMENT

ARTH 489B — WOMEN IN ART. This course will concentrate on women artists of the 19th and 20th centuries, but will also use images of women to focus on their perceived roles in society. This course can be used as an elective in the Women's Studies Certificate Program.

ARTH 489A — ICONOGRAPHY. The iconography of the Last Judgment in the Middle Ages and the Renaissance. A survey history of an especially important Christian subject, the Last Judgment — its earliest appearances in the 11th and 12th centuries, its development on the carved portals of the Romanesque and Gothic periods, and its further elaboration by major painters of the 14th, 15th, and 16th centuries, concluding with Michelangelo's fresco in the Sistine Chapel. Emphasis will be on changes in Last Judgment imagery and the implications of those changes for the history of Christian thought. Through a concerted history of a single motif, the course will indicate methods of study as they might be applied to a wide range of iconographical problems.

ARTH 262 — ARTS OF ASIA. A general survey to introduce Westerners to the art of India, Southeast Asia, Central Asia, China and Japan. Works of art are closely related to the religions and philosophies of Asia, with stress upon the unifying influence of Buddhism.

ARTH 407 — ARTS OF THE EAST: CHINA AND JAPAN II. The course will focus principally on the secular art of China and Japan, from the 10th century to the 18th century, with heaviest emphasis on painting. The evolution of Chinese landscape painting, Japanese narrative scroll painting, and Japanese screen painting will be discussed, along with a general overview of ceramics, and later Buddhist sculpture and architecture.

EXPERIENTIAL LEARNING PROGRAMS
454-4767

WHAT IS FIELD EXPERIENCE?
Field experience is one of the University of Maryland's most exciting learning opportunities. In our society, practical work experience is invaluable for entry and advancement in a career. We encourage you to get involved with this unique experience early in your University of Maryland education. Experiential Learning Programs (ELP) offers three major programs and directs students toward a number of additional options, all designed to give them first-hand experience within their areas of major concentration or interest.

MAJOR PROGRAMS:

— Volunteer Service/Learning
— Internships
—Cooperative Education (Co-Op)

VOLUNTEER SERVICE/LEARNING

We maintain a computer file of field experience opportunities in over 650 agencies which have expressed interest in working with University students. Using this "library" of contacts, students arrange agency placements relating to their interests — academic or otherwise. Volunteer experiences are introductory in that students can begin their first career-related position free from the complications of arranging credit or pay. They are advanced in that the placement is undertaken for no "rewards" except those of the experience gained.

INTERNSHIPS

An internship is a work experience granted academic credit by a University of Maryland faculty member in recognition of its learning value. As in the volunteer program, students search through our agency computer files for contact information about placement opportunities relating to their interests. Using this data:

(1) They contact agencies and arrange for part-time work placement.
(2) They then negotiate with a University faculty member to obtain academic credit recognition of the educational value of the proposed experience. Usually the professor will want the student to produce some project connecting the student's work with the professor's academic discipline (e.g., a paper, a journal).
(3) After all details have been worked out, professor and student draw up an informal contract to ensure that both parties know where they stand.

COOPERATIVE EDUCATION

Cooperative Education is our most intensive form of learning by experience. Students alternate two semesters of full-time, fully paid work in business, industrial or government agencies with a semester of full-time study. What have they acquired at the end of this work-study-work sequence?

— They have gained experience in their chosen field which will do a great deal to introduce them into the job market.
— They have defrayed a good portion of their educational expenses with money earned.

ADDITIONAL OPTIONS

EXPO

Keep your eyes open for publicity announcing the ELP EXPO at the beginning of each semester. Representatives from all sorts of area agencies come together in the Student Union Grand Ballroom to talk to students about field experience opportunities.

FIELD EXPERIENCE COURSES

Sometimes a professor will see a widespread need for field experience education in his academic discipline; or he may have professional connections with an agency willing to work with a number of students at a time. In such cases, his academic department faculty offers a field experience *course*. Just as with individual internships there are two parts to such courses:

(1) Work experience (generally volunteer) in business, industry, government, or social service agencies;
(2) Faculty supervision/consultation.

Check with ELP for an updated list of field experience courses being offered through many departments on campus.

We will isolate the moral requirements recognized in law, and others which we unavoidably confront, and use these to assess current and proposed energy policies. Among the questions we will discuss are: What are our duties to future generations? What are the costs of energy and how should they be distributed? How do we weigh the values of protecting the environment, including endangered species? How should previously unclaimed energy sources such as the sun and oil reserves in Antarctica be allocated?

PHIL 445 — SOCIAL AND POLITICAL PHILOSOPHY (3).

Some People Are Searching for a Group Like Ours...

Today people experiment with their lives—sometimes they find something valuable; sometimes they just waste time.

Some people have trouble finding what they want because they have a very special set of needs. ... They want to give their lives for the greatest cause they can think of. They are involved with God, with other people, with life. Money, prestige, or power mean little to them. They know they want to live for God by spreading the Gospel of Jesus Christ.

But they are searching for fresh and vibrant ways to proclaim this Gospel. They are looking for a variety of opportunities in different parts of the country to serve with a group of men who share a holy vision and live that vision in a free and friendly way.

They are looking for THE PAULISTS, a group of Catholic priests spread through the United States and Canada, working in a wide range of ministeries that include parishes, campus centers, mass communications, publication, preaching, adult education centers, social services, and new approaches to inviting people to know Jesus Christ.

If you are searching to share what we do, why not write THE PAULISTS for more information.

POLICY OF THE UNIVERSITY OF MARYLAND ON ACCESS TO AND RELEASE OF STUDENT DATA/INFORMATION

General Statement

The University of Maryland has the responsibility for effectively supervising any access to and/or release of official data/information about its students. Certain items of information about individual students are fundamental to the educational process and must be recorded. This recorded information concerning students must be used only for clearly-defined purposes, must be safeguarded and controlled to avoid violations of personal privacy, and must be appropriately disposed of when the justification for its collection and retention no longer exists.

In this regard, the University is committed to protecting to the maximum extent possible the right of privacy of all individuals about whom it holds information, records and files. Access to and release of such records is restricted to the student concerned, to others with the student's written consent, to officials within the University, to a court of competent jurisdiction and otherwise pursuant to law.

Access

All official information collected and maintained in the University identifiable with an individual student will be made available for inspection and review at the written request of that student subject to certain exceptions.

For purposes of access to records at the University of Maryland, a student enrolled (or formerly enrolled) for academic credit or audit at any campus of the University shall have access to official records concerning him on any campus on which he is or has been enrolled.

The personal files of members of the faculty and staff which concern students, including private correspondence, and notes which refer to students, are *not* regarded as official records of the University. This includes notes intended for the personal use of the faculty and never intended to be official records of the University.

A request for general access to all official records, files and data maintained by a campus, must be made in writing to the coordinator of records or to other person(s) as designated by the Chancellor at that particular campus. A request for access to official data maintained in a particular office may be made to the administrative head of that office.

When a student (or former student) appears at a given office and requests access to the University records about himself,

1. The student must provide proper identification verifying that he is the person whose record is being accessed.
2. The designated staff person(s) must supervise the review of the contents of the record with the student.
3. Inspection and review shall be permitted within a period not to exceed 45 days from the date of the student's request.
4. The student will be free to make notes concerning the contents but no material will be removed from the record at the time.

Under normal circumstances, the student is entitled to receive a copy only of his permanent academic record. A reasonable administrative fee may be charged for providing copies of this or other items.

Record keeping personnel and members of the faculty and staff with administrative assignment may have access to records and files for internal educational purposes as well as for routinely necessary clerical, administrative and statistical purposes as required by the duties of their jobs. The name and position of the official responsible for the maintenance of each type of educational record may be obtained from the coordinator of records or other person appointed by the Chancellor on each campus.

Any other access allowed by law must be recorded showing the legitimate educational or other purpose and the signature of the person gaining access. The student concerned shall be entitled to review this information.

Release of Information

Except with the prior written consent of the student (or former student) concerned, or as required by federal and state law, no information in any student file may be released to any individual (including parents, spouse, or other students) or organization with the exception of information defined as "Public Information."

When disclosure of any personally identifiable data/information from University records about a student is demanded pursuant to court order or lawfully issued subpoena, the staff member receiving such order shall immediately notify the student concerned in writing prior to compliance with such order or subpoena.

Data/information from University records about students will be released for approved research purposes only if the identity of the student involved is fully protected.

A record will be kept of all such releases.

Information from University records may be released to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other persons.

Public Information

The following items are considered public data/information and may be disclosed by the University in response to inquiries concerning individual students, whether the inquiries are in person, in writing or over the telephone.

1. Name
2. Affirmation of whether currently enrolled
3. Campus location

Unless the student has officially filed a request with the campus registrar that disclosure not be made without his written permission, the following items in addition to those above are considered public information and may be included in appropriate University/campus directories and publications and may be disclosed by designated staff members on each campus in response to inquiries concerning individual students, whether the inquiries are in person, in writing, or over the telephone.

1. School, college, department, major or division
2. Dates of enrollment
3. Degrees received
4. Honors received
5. Local address and phone number
6. Home address (permanent)
7. Participation in officially recognized activities and sports
8. Weight and height of members of athletic teams

The release of public information as described above may be limited by an individual campus policy.

Letters of Appraisal

Candid appraisals and evaluations of performance and potential are an essential part of the educational process. Clearly, the provision of such information to prospective employers, to other educational institutions, or to other legitimately concerned outside individuals and agencies is necessary and in the interest of the particular student.

Data/information which was part of University records prior to January 1, 1975 and which was collected and maintained as confidential information, will not be disclosed to students. Should a student desire access to a confidential letter of appraisal received prior to January 1, 1975, the student shall be advised to have the writer of that appraisal notify, in writing, the concerned records custodian of the decision as to whether or not the writer is willing to have the appraisal made available for the student's review. Unless a written response is received approving a change of status in the letter, the treatment of the letter as a confidential document shall continue.

Documents of appraisal relating to students collected by the University or any department or office of the University on or after January 1, 1975 will be maintained confidentially only if a waiver of the right of access has been executed by the student. In the absence of such a waiver, all such documents will be available for student inspection and review.

All references, recommendations, evaluations and other written notations or comments, originated prior to January 1, 1975, where the author by reason of custom, common practice, or specific assurance thought or had good reason to believe that such documents and materials would be confidential, will be maintained as confidential, unless the author consents in writing to waive such confidentiality.

If a student files a written waiver with the department or office concerned, letters of appraisal received pursuant to that waiver will be maintained confidentially. Forms will be available for this purpose.

Challenges to the Record

Every student shall have the opportunity to challenge any item in his file which he considers to be inaccurate, misleading or otherwise inappropriate data. A student shall initiate a challenge by submitting a request in writing for the deletion or correction of the particular item. The request shall be made to the custodian of the particular record in question.

If the custodian and the student involved are unable to resolve the matter to the satisfaction of both parties, the written request for deletion or correction shall be submitted by the student to the coordinator of records, or other such person as designated by the Chancellor, who shall serve as the hearing officer. The student shall be given the opportunity for a hearing, at which the student may present oral or written justification for the request for deletion or correction. The hearing officer may obtain such other information as he deems appropriate for use in the hearing and shall give the student a written decision on the matter within thirty (30) days from the conclusion of the hearing. If the decision of the hearing officer is to deny the deletion or correction of an item in the student's file, the student shall be entitled to submit a written statement to the hearing officer presenting his position with regard to the item. Both the written decision of the hearing officer and the statement submitted by the student shall be inserted in the student's file. The decision of the hearing officer shall be final.

Grades may be challenged under this procedure only on the basis of the accuracy of their transcription.

Exceptions to the Policy

It is the position of the University that certain data/information maintained in various offices of the University is not subject to the provisions of this policy with regard to inspection, review, challenge, correction or deletion.

(a). Statements submitted by parent/guardian or spouse in support of financial aid or residency determinations are considered to be confidential between those persons and the University, and are not subject to the provisions of this policy except with the written consent of the persons involved. Such documents are *not* regarded as part of the student's official record.

(b). University employment records of students are not included in this policy, except as provided under Article 76A of the Annotated Code of Maryland.

(c). With regard to general health data, only that data/information which is used by the University in making a decision regarding the student's status is subject to review by the student under this policy. Written psychiatric or psychological case notes which form the basis for diagnoses, recommendations, or treatment plans remain privileged information not accessible to the student. Such case notes are not considered to be part of official University records. To ensure the availability of correct and helpful interpretations of any psychological test scores, notes or other evaluative or medical materials, the contents of these files for an individual student may be reviewed by that student only in consultation with a professional staff member of the specific department involved.

(d). Records relating to a continuing or active investigation by the campus security office, or records of said office not relating to the student's status with the University are not subject to this policy.

(e) No student is entitled to see information or records that pertain to another student, to parents, or to other third parties. A student is entitled to review only that portion of an official record or file that pertains to him or her.

Notice

Notice of these policies and procedures will be published by the University.

The foregoing statement of University policy becomes effective immediately, but should be regarded as tentative pending the issuance of federal regulations and guidelines or amendments in the applicable laws.

The masculine gender of personal pronouns in this document includes the feminine gender.

Approved by the President's Administrative Council, 2/3/75.

In accordance with this University of Maryland policy on Access to and Release of Student Data/Information, forms are available at the Registration Counter, North Administration Building.

Any student who wishes to limit the disclosure of data/information as stipulated in this policy should complete the form entitled "Request for Limited Access to and Release of Student Data/Information—Request for Limited Access" (Form I) and return it to the Registration Counter, North Administration Building.

Any student who wishes access to his/her official records should complete the form entitled "Request for Limited Access to and Release of Student Data/Information—Request for Access" (Form II) and return it to the Registrations Counter, North Administration Building.

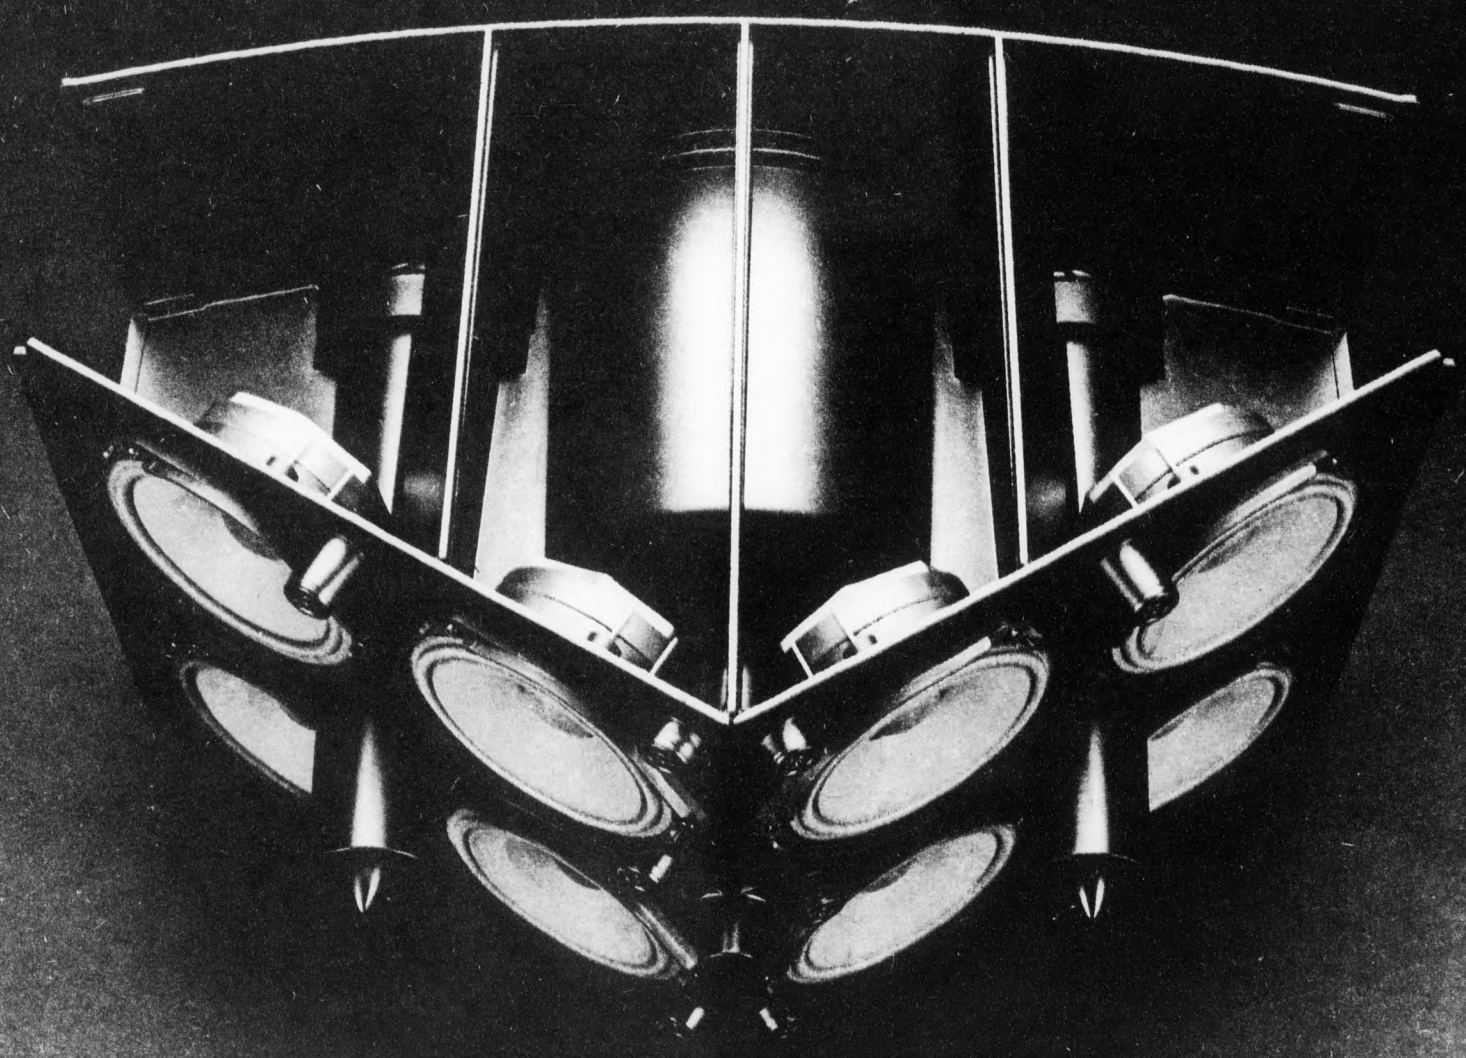
BASEMENT OF STUDENT UNION

Space Voyager.



The new Bose 901® Series III is a loudspeaker system for the space age.

It reproduces music with a level of realism unrivaled by conventional speakers. Its performance is a result of proven Bose design concepts combined with a whole series of technological innovations, including the futuristic Acoustic Matrix™ enclosure pictured above, nine full-range drivers and an electronic active equalizer.

But most important, the 901 III is designed to explore the world of space in music that conventional earthbound speakers ignore.

Most speakers simply beam sound directly at the listener from a few woofers and tweeters mounted on the front surface of a wooden box. The 901 III, with its nine high-performance drivers mounted in the Acoustic Matrix enclosure, radiates sound forward, to the sides, off the back walls. The entire space is filled with sound—the sound experienced in a live concert hall.

Take your own voyage into space. Visit your nearest Bose dealer and listen to the 901 III and other Bose Direct/Reflecting® speakers. (See page 3 for a listing of Bose retailers in your area.)

Models 301, 501, 601 and 901 Series III. Prices from a little over $100.

Spatial Offer.

We're giving away six pairs of Bose 901 Series III speakers. Simply fill out this coupon and we'll send you a questionnaire. Based on your response to this questionnaire, we'll select six students to come expenses paid to Bose to participate in our university audio seminar (and pick up your free speakers). To get free literature on Bose speakers check the appropriate box(es) below.

Send to: Dept. Q, Bose Corporation, Mountain Road, Framingham, MA 01701.
